

oro® Alcohol-Based Cleaner

Concentrate

Product Information

Area of application

Concentrate for manually and mechanically cleaning easy-care floors, e.g. sealed parquet, laminate, granite as well as ceramic and porcelain stoneware tiles and all other washable alcohol-resistant surfaces.

Advantages of the product

- Concentrate – low application concentration, economical in use
- Powerful cleaning effect.
- Quick-drying and streak-free cleaner, provides a silky gloss finish
- For use in floor scrubbing machines
- Persistent fresh fragrance

Application

oro® Alcohol-Based Cleaner is diluted for use. We recommend adding approx. 40 ml of the product to 10 litres of cold water. Add 100 ml to 10 litres of water for intensive cleaning in case of stubborn soilings and if used in floor cleaning machines.

Notes

If alcohol-sensitive materials are to be disinfected (e.g. acrylic glass), the material compatibility must be tested on a concealed surface in each individual case.

Chemical composition

oro® Alcohol-Based Cleaner contains anionic surfactants (5 - 15%), non-ionic surfactants (< 5%), EDTA (< 5%), phosphonates (< 5%), ethanol (15 - 30%), fragrances and auxiliary agents.

Packing units

30-litre container
10-litre container
Carton of 6 1-litre bottles

Accessories

Container tap for 30-litre and 10-litre containers, dosing head (20 ml) for 1-litre bottle, dosing aid for 30-litre and 10-litre containers.

Shelf life

3 years

Storage

Cool but not below 5°C.

Physical properties

Concentrate:

| | |
|-------------|---|
| Appearance: | clear bluegreen liquid |
| Density: | D = 0.986 ± 0.20 g/cm ³ (20°C) |
| pH: | 4.5 ± 0.5 |

Ecology

The surfactants contained in oro® Alcohol-Based Cleaner meet the OECD requirements and are thus biodegradable. The packing is made of polyethylene and can therefore be exploited materially and thermally. For recycling, rinse bottle with water.

Caution

oro® Alcohol-Based Cleaner is classified as "irritant" in accordance with the Directives relating to the classification, packaging and labelling of dangerous substances and preparations. Irritating to eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. If swallowed, seek medical advice immediately and show this container or label. Wear suitable gloves. Keep out of reach of children.

The information on our products is based on detailed internal and external scientific examinations, and recommendations are given to the best of our knowledge. Liability is being judged in accordance with our General Terms of Sale and Delivery which are available upon request at any time.
