

# oro® Universal Cleaner

## Concentrate

## Product Information

### Area of application

Neutral and powerful universal cleaner for floors, doors, plastic furniture and all other washable surfaces, e.g. in housekeeping or the food industry.

### Advantages of the product

- Concentrate – low application concentration, economical in use
- Powerful cleaning effect: Easily removes dirt and grease
- Neutral pH
- Colorant-free, also for use in the food industry

### Application

Dilute oro® Universal Cleaner for use. We recommend adding 40 ml of the product to 8 litres of cold water. Add 80 ml to 8 litres of cold water in case of stubborn soilings. Cleaned surfaces which may get in contact with food must be thoroughly rinsed with drinking water.

### Notes

We recommend testing the material compatibility on a concealed surface in each individual case.

### Chemical composition

oro® Universal Cleaner contains ethanol (5 - 15%), anionic surfactants (5 - 15%), non-ionic surfactants (< 5%), phosphonates (< 5%), EDTA (<5%), fragrances and auxiliary agents.

### Packing units

30-litre container  
10-litre container  
Carton of 6 1-litre bottles

### Accessories

Container tap for 30-litre and 10-litre containers, dosing head (20 ml) for 1-litre bottles, dosing aid for 30-litre and 10-litre containers

### Shelf life

3 years

### Storage

Cool but not below 5°C.

### Physical properties

Appearance: clear colourless liquid  
Density:  $D = 1.007 \pm 0.020 \text{ g/cm}^3$  (20°C)  
pH:  $6.6 \pm 0.5$

### Ecology

The surfactants contained in oro® Universal Cleaner meet the OECD requirements and are thus biodegradable. The packing is made of polyethylene and can therefore be exploited materially and thermally. For recycling, rinse bottle with water.

### Caution

oro® Universal Cleaner is classified as "irritant" in accordance with the Directives relating to the classification, packaging and labelling of dangerous substances and preparations. Irritating to eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. If swallowed, seek medical advice immediately and show this container or label. Wear suitable gloves. Keep out of reach of children.
