

oro® Floor Cleaner

Concentrate

Product Information

Area of application

Suitable for manually or mechanically cleaning and caring of all water-resistant and coated floors, e.g. PVC, caoutchouc, linoleum, sports floors, artificial stone floors, open-pored tiles (clinker tiles), sealed parquet, etc.

Advantages of the product

- Concentrate – low application concentration, economical in use
- Powerful cleaning effect and effective care in a single pass
- Streak-free cleaner, provides a silky gloss finish
- Self-shining without layer formation
- Facilitates the removal of dirt
- Anti-slip effect
- Can be used in floor scrubbing machines
- Polishable

Application

Use oro® Floor Cleaner in diluted form. We recommend adding 20 ml to 10 litres of cold water, and 200 ml to 10 litres of cold water when wiping a floor for the first time. Polish when the floor has dried.

Notes

Wipe sealed wood and laminate floorings with a damp cloth. Otherwise, excess cleanser solution may penetrate the flooring and cause swellings.

Chemical composition

oro® Floor Cleaner contains non-ionic surfactants (1 - 5%), betaine (1 - 5%), anionic surfactants (1 - 5%), solvents (1 - 5%), 2-propanol (5 - 15%), fragrances and auxiliary agents.

Packing units

30-litre container
10-litre container
Carton of 6 1-litre bottles

Accessories

Container tap for 30-litre and 10-litre containers, dosing head (20 ml) for 1-litre bottle, dosing aid for 30-litre and 10-litre containers.

Shelf life

3 years

Storage

Cool but not below 5°C.

Physical properties

Concentrate:

Appearance: clear bluish green liquid
Density: $D = 0.994 \text{ g/cm}^3$ (20°C)
pH: 5.8 ± 0.5

Ecology

The surfactants contained in oro® Floor Cleaner meet the OECD requirements and are thus biodegradable. The packing is made of polyethylene and can therefore be exploited materially and thermally. For recycling, rinse bottle with water.

Caution

oro® Floor Cleaner is classified as "irritant" in accordance with the Directives relating to the classification, packaging and labelling of dangerous substances and preparations. Irritating to eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. If swallowed, seek medical advice immediately and show this container or label. Wear suitable gloves. Keep out of reach of children.
